Report on event organized by Swami Vivekananda Centre of T-shirt and Mask painting competition

DATE : 22ND December,2021

TIME : 11.30 AM

VENUE : Moot Court

Swami Vivekananda

Swami Vivekananda, been Narendra Datta, was an Indian Hindu monk and Philosopher. He was a chief disciple of 19th century Indian Mystic Ramakrishna. He founded the Rama Krishna Math and the Rama Krishna Mission. He is perhaps best known for his speech.

Benefits of Painting

- ✚ Painting expands creative growth
- ✚ Promotes stress relief
- ✚ Cultivates emotional growth
- ✚ Stimulates an optimistic attitude
- ✚ Bolsters the memory
- ✚ Enhances problem solving and motive skills

In the beginning, all the participants were invited to the moot court by the coordinators. The coordinators gave a brief welcome speech and gave jest of the event. The participants were given instructions about the competition and were taken to the terrace area for better convenience and space for them where everything was organized for the event. Eventually students were given time to prepare and settle with their stationery items. The event began at 11.45 A.M and the students were given time of an hour to get completed with their masks and T-shirts.

Students were insisted to follow the theme of “Swami Vivekananda and his teachings”. Pre time was given to trace their drawings in a piece of paper if they were willing to.

The participants were as follows:

1. Udayashree – I BBA
2. Anusha - - I BBA
3. Ganesh Rahul - I BBA
4. Harshitha - V BCA
5. Hamsini - V BCA
6. Ramya - V BCA
7. Dharini - V BCA

The first participant Udayashree started off with a plain white T-shirt. She sketched her ideas on it and continued with her painting. Anusha also drew her drawings on the T-shirt which was white in colour. She painted it gradually. Rahul started with a quick drawing and jumped on to the painting part. Ramya painted her mask patiently. Harshitha drew the face of Swami Vivekananda and wrote one of his quotes. Hamsini and Dharini wrote his quotes on their respected T-shirts.

Few faculty members visited and had a look at the participants as they had a brief talk with them. The student coordinators, Panchami and Priyanka were constantly capturing those moments. The faculty coordinators were present throughout the event to guide and ensure that the event runs smoothly. Quite a spark was observed within the students. Their enthusiasm should be a great motivation to the rest of the learners. Grace time of about 5 mins was given on the student's request. The students were asked to present their piecework to the arrived and respected judges and were asked to express their experiences and learnings. The participants were thereby given reviews and scope of improvement by the judges. All the faculty members were impressed by their hardwork.

Buddhism ranks as one of the greatest peace-loving religions not only in Asia but all over the world. It insists upon values of knowledge and evil of ignorance. Buddhism enjoys the glory of having rightly judged the intrinsic greatness of man's capacity to work out his salvation, thus stressing the power of the individual to pursue excellence. Bhagwan Buddha Study Centre at Acharya Bangalore B School aims to instill the core values of Buddhism like one's concern for the welfare of man to eliminate human suffering and misery and to lead the society towards integrity and dignity of existence in students.
