Dear Stakeholder, 28th March, 2015

Management Education in India and Karnataka is passing through an upheaval of crisis and uncertainty. Stakeholders have concern on its quality and excellence. One such idea is to make the course contemporary and relevant to the times through stakeholders approach. MBA syllabus of 2014-15 is a humble step in this direction.

CBSMS of Bangalore University undertook a scientific process of overhauling the curriculum. The expectations of 770 stakeholders were surveyed during December, 2013 and January, 2014. A Stakeholders Syllabus Review Committee was constituted by Board of Studies to arrive at the course matrix. This was reviewed and deliberated by all concerned vigorously. Various drafts of the syllabus were uploaded on the website for dissemination and feedback. Finally, the Academic Council approved it during the Golden jubilee year of Bangalore University on 27th March, 2015. All stakeholders played a very key role in the process of developing the syllabus.
